Tulsi Gabbard snubbed from the #DemConvention for telling the truth about Kamala Harris throwing black men in prison by the thousands & then extending their sentences so the state of CA could use them for cheap labor. Here is the moment Tulsi nuked Kamala 😂🔥

Qanon is not violent or conspiracy. We are every day people seeking truth. I am a family man. I am educated, and run my own business. I work hard, and spend my spare time with my family. I enjoy golf 🏌 and reading. Qanon's, share and tell your story 🙌

Honestly I ask myself about this Q thing and look for a reason not to trust anything about it. I don't see Qsters in the street breaking into buildings claiming real estate pulling down statues or beating up people in the name of some form of justice or retribution BS.

We all know @SidneyPowell1 caught you and your team hiding evidence from the Court, just like she did in the ENRON case.

This time you're not walking away whistling a merry tune from all the gross prosecutorial misconduct.

You'll be lucky to all only be disbarred.

You know Van Grack got caught by Barr & Jensen hiding exculpatory evidence from the Court and the Flynn defense team, right?

In direct defiance of an explicit Brady disclosure ruling, right?

You know that's why the DOJ filed to dismiss the Flynn case, right?

Of course you do.
